

WESTERN MICHIGAN
UNIVERSITY

WHO WE ARE

PROMOTES is a collaboration between Van Buren Intermediate School District and the Department of Psychology at Western Michigan University. PROMOTES was designed to create a unique opportunity for students interested in gaining fulfilling employment.

The PROMOTES team brings students additional supports prior to searching for employment, during the search for employment, and while the student is currently employed in their community. All services provided are based around the students individualized needs and interests as well as the needs of local businesses.
